Calendar of Events

NOVEMBER

2-4 Girl Scout Troop 337 weekend trip
9-11 Boy Scout Troop 218 weekend trip
21 School closes at 3:10 p.m. for
Thanksgiving vacation
25 Students return
26 Classes resume
30 Parent visiting day

DECEMBER

7-9 Boy Scout Troop 18 weekend trip
10 Gallaudet Day
14-16 Boy Scout Troop 218 weekend trip
21 School closes at 3:10 p.m. for
Christmas vacation

CSDR Welcomes New Teachers and Counselors

New Teachers

Junior High School

Miss Jane Ferguson

Miss Ferguson grew up 50 miles north of Detroit in Davison, Michigan. She attended Michigan State University and received a B.A. in education of the deaf. She spent the last school year doing substitute teaching at the Michigan School for the Deaf in Flint and at the Davison Community Schools. Last summer she tutored elementary school children in reading and math. Miss Ferguson enjoys cooking and she is interested in international arts and crafts and traveling.

Mrs. Haydee Llanes

Mrs. Llanes is a graduate of the University of Havana in Cuba in the field of education. She spent 12 years teaching at various schools for the deaf in Cuba. In October of 1970, her family moved to California where Mrs. Llanes graduated from California State University, Northridge. She taught Spanish for a short time at the Berlitz School for Language. She has also worked for the International Rescue Committee which helps refugees from other countries. Mrs. Llanes is married and has two boys. They are now residing in Riverside.

Mr. Brian Malzkuhn

Mr. Malzkuhn was born of deaf parents in Michigan. Seven years later his family moved to California, where he attended the California School for the Deaf at Berkeley until his graduation in 1968. He then spent four years at Gallaudet where he received a B.A. in sociology. In June, 1973 he obtained his M.A. in special education from California State University, Northridge. In addition to his duties as a teacher in the Junior High School, he will coach B-team basketball and Varsity baseball at CSDR this year. He is also presently teaching an evening sign language class for adults in Beaumont, California. He plans to be married in June of 1974.

High School

Mr. Todd Rutherford

Mr. Rutherford was born and raised in Southern California. He graduated with a B.A. degree in history from California State University at Northridge. He received his teacher training from the John Tracy Clinic and an M.S. degree from the University of Southern California. He is presently teaching history, social science, and drama at CSDR.

Mr. Gerald Sullivan

Mr. Sullivan was born in Kirkland Lake, Ontario, Canada. He is a graduate of the Ontario School for the Deaf in Belleville, Ontario and of Gallaudet College where he earned a B.A. degree in mathematics. In the first three years of his seven years of teaching at the Maryland School for the Deaf in Frederick, he attended the Western Maryland College where he received an M.A. degree in deaf education. He is presently teaching mathematics in the High School.

Mrs. Debbie Weisbart

Mrs. Weisbart was born in New York and attended school there until her senior year in college. She then moved to California and received a B.A. degree in mathematics from the California State University at Northridge. She worked as a teacher's aide at the Southwest School for the Hearing Impaired and then did substitute teaching for the Los Angeles Special Education Department for a year and a half. She completed her M.A. degree in deaf education this past June at the California State University at Northridge.

Miss Kristin Winship

Miss Winship comes to CSDR from Colorado. Her home is the small town of Parker, south of Denver. She attended the University of Colorado in Boulder and the University of Northern Colorado where she received her B.A. in deaf education.

Vocational School

Mr. Robert Greathouse

Mr. Greathouse has joined the CSDR faculty as teacher of lithography. He was born in Kansas City, Kansas and attended the Kansas School for the Deaf at Olathe. He graduated from Gallaudet College and has worked in the printing field for over 19 years. He lives in Riverside with his 14 year old son. His hobbies are bowling and bridge.

New Counselors

Mrs. Edna L. Collins

Prior to moving to California, Mrs. Edna L. Collins and family lived in North Carolina, while her husband was stationed at Fort Bragg. Her husband has since retired and spends the greatest portion of his time fishing. She has one son who is stationed at Travis A.F.B. Mrs. Collins has devoted most of her career to working with children, starting with Headstart in 1961. She received her A.A. from Riverside City College in 1971 in early childhood education. She is continuing her studies through the University of California, Riverside and Cal State San Bernardino working on a B.S. in the field of education.

Mr. Sam Crawford

After graduating from Ramona High School in 1969, Mr. Crawford attended Riverside City College. Having completed 60 units he then transferred to California State Fullerton for one semester, majoring in psychology.

He has worked as a student aide in Sierra II and Rubidoux I. He has been active in the Boy Scouts and is looking forward to assisting with Rubidoux I Scout Troop 218.

Mr. Fred H. DeBerry

Mr. DeBerry sold hearing aids prior to coming to CSDR. He is married, and his wife teaches at the Riverside Christian Day School.

Before becoming a full time employee at this school, he worked as a student aide. He also worked with the Boy Scouts in Rubidoux I. Mr. DeBerry is currently enrolled in school at the California Baptist College. He attended a community college in San Diego before moving to Riverside. He is happy to be working in Pachappa I with the young boys.

Mike Gorman

Mike Gorman was born in Massachusetts but spent most of his early years in Pennsylvania. He attended Villanova University in Philadelphia, Pennsylvania and graduated in 1969 with a B.A. in social sciences. While at Villanova he was a member of the Rugby Football Club and upon graduation was invited by the Philadelphia Rugby Football Club to join them for a tour of England and Wales for matches with respective teams.

Miss Ivie B. Jones

Miss Jones comes to CSDR from Chico, California. She comes from a family of all brothers. She attended Ventura Junior College and California State University at Chico. She has had experience working as a secretary for the Aircraft Division Office of the Naval Missile Center, and has also worked as a secretary for the Publicity Director of California State University at Chico. Her hobbies are sewing, drawing and collecting recipes. She enjoys all sports and is a vigorous participant. During her spare time, she enjoys playing the piano.

Mrs. Linda Ann Tollstrup

Mrs. Tollstrup has two little boys, Kenny, 5, and Sean, 2. She is working slowly, but surely, on learning her signs. Mrs. Tollstrup is a native Californian from Downey.

Tennis, badminton and bowling are among the new counselor's favorite sports. She likes to go away for the weekend and scuba dive at the ocean, or go camping in the desert.

In May of 1968, Mrs. Tollstrup earned her Bachelor of Arts degree in French from Brigham Young University.

Mrs. Linda A. Vincent

Mrs. Vincent attended Riverside City College majoring in home economics and minoring in sociology. She was an active member in Student Body Government as a student representative.

Mrs. Vincent has lived in Riverside for eleven years, and has been involved in 4-H Club both as a member and as a leader for a total of eight years.

Currently, Mrs. Vincent is working with the high school girls in Shasta III.

CSDR Welcomes . . .

New Teachers

First row, left to right: Jane Ferguson, Kristin Winship, Mrs. Haydee Llanes, Mrs. Debra Weisbart
Second row, left to right: Todd Rutherford, Brian Malzkuhn, Gerald Sullivan, Robert Greathouse

New Counselors

Front row, left to right: Mrs. Linda A. Tollstrup, Ivie B. Jones, Mrs. Edna L. Collins
Back row, left to right: Michael J. Gorman and Fred H. DeBerry

DMHU Welcomes . . .

New Teachers

Front row, left to right: Pamela J. Rich, Nelson C. Fertig, Mrs.
Susan I. Schoenmann

Back row, left to right: Gayle C. Stachula and Mrs. Marilyn
J. Francis

New Counselors

Front row, left to right: Marcia Jean Einarson, Donald J. Sanchez

Back row, left to right: Carolyn F. Thude and Gail L. Wright

DMHU Welcomes New Teachers and Counselors

New Teachers

Mr. Nelson (Chris) Fertig

Mr. Fertig was born in Hollywood, California and raised in El Monte. He spent two years in the United States Army and then worked as a truck driver. Mr. Fertig then returned to school and obtained his B.A. degree at the University of Southern California. After working seven months at Disneyland, he continued his education at California State University at Los Angeles and earned his credential to teach the deaf. This past summer, Mr. Fertig completed his M.A. degree in deaf education. He finished his student teaching last spring at CSDR in the Elementary School.

One of Mr. Fertig's three brothers, Mr. Ralph (Rick) Fertig teaches in the Junior High School.

Mrs. Marilyn Francis

Mrs. Francis was born in Los Angeles, California and raised in San Diego. She earned her B.A. degree in speech and hearing disorders at Loma Linda University and her M.A. degree in speech pathology at the University of Redlands. Mrs. Francis then taught for four years at the HEAR Foundation in Pasadena.

Mrs. Francis obtained her credential to teach the deaf at California State University at Los Angeles and completed her student teaching at CSDR in the Deaf Multi-Handicapped Unit, last year. Mrs. Francis now teaches in Unit I of the Multi-Handicapped Unit.

Miss Pamela Rich

Miss Rich has recently joined the faculty of the Deaf Multi-Handicapped Unit. She was born in White Plains, New York. As Miss Rich grew up, her family moved frequently to different cities in California and Arizona. In all, she attended nine different elementary schools, due to her father's transfers. Miss Rich obtained her B.A. degree at the University of Arizona and later completed the deaf credential requirements for California at the University of California, Irvine campus.

She has taught preschool, hard of hearing children in the Orange Unified School District and junior high school multi-handicapped deaf children at the Anaheim Union High School.

Mrs. Susan Schoenmann

Mrs. Schoenmann was born in San Diego, California and raised in Santa Ana. She earned her B.A. degree in Spanish at California State University at San Jose, spending her senior year in Spain. From 1966 to 1968, Mrs. Schoenmann and her husband, Nicholas, served with the Peace Corps in Columbia, South America. During that time, she taught elementary school children, mentally retarded children, high school and college students, and teachers. Mrs. Schoenmann has also taught in a Headstart program for one summer and worked as a substitute teacher for one year.

Mrs. Schoenmann obtained her credential to teach the deaf and her M.A. degree in deaf education last year at California State University at Los Angeles.

Miss Gayle Stachula

Miss Stachula has joined the faculty of Unit II of the Deaf Multi-Handicapped Unit. She was born in Passaic, New Jersey and learned to speak Polish before she learned English. Miss Stachula grew up in Paramus, New Jersey in the house now used as Archie Bunker's house in "All in the Family," the well-known TV program. Miss Stachula attended college at Rutgers University in New Jersey. After working as a waitress, she then traveled to Europe and North Africa. Miss Stachula then attended graduate school at the University of Southern California where she took her training to teach the deaf at the John Tracy Clinic.

New Counselors

Mrs. Marcia Einarson

Mrs. Einarson is a counselor in the Deaf Multi-Handicapped Unit. She graduated from high school in Bellingham, Washington. Mrs. Einarson then attended the University of Washington and Western Washington State University. She received her B. A. degree in sociology from the University of California Riverside. This past summer, she taught and counseled eight to twelve year old boys and girls at the University of Southern

(Continued on Page 28)

The Ella A. Brill Memorial Walk

On September 4, 1973 the Ella A. Brill Memorial walk was dedicated at the California School for the Deaf, Riverside. Students, staff and visitors can now go between the social hall and the "P" building on this gracefully curved tree-lined walk. Two benches set along this walk provide places for rest and contemplation. A special bronze plaque set in a native granite stone bears the inscription "Ella A. Brill Memorial Walk."

The walk commemorates Ella A. Brill, a former educator of the deaf who died on October 11, 1971. Mrs. Brill was the widow of the late Tobias Brill, for many years principal of the New Jersey School for the Deaf and the mother of Richard G. Brill, present superintendent of the California School for the Deaf, Riverside.

Born in Portland, Maine, in 1885 Mrs. Brill was a graduate of the Curry School of Expression in Boston, and received her professional training as a teacher of the deaf at the Clarke School in Northampton, Massachusetts. She began her career at the Lexington Avenue School for the Deaf in New York City, and following marriage in 1912, joined her husband in teaching at schools for the deaf in Mystic, Connecticut and Omaha, Nebraska where Mr. Brill held principalships.

From 1922 until 1932 Mrs. Brill taught at the New Jersey School for the Deaf, at both its original Hamilton Avenue and present-day locations. In 1935 she was awarded the degree of Bachelor of Arts by Rutgers University, the same day her husband received the degree of Master of Arts and her son graduated from that institution.

After Mrs. Brill's death the Ella A. Brill Memorial Fund committee comprised of CSDR staff was established to develop an appropriate memorial. Donations were received from school staff and friends of Mrs. Brill. The committee solicited ideas and suggestions for the memorial from all of the school employees. After reviewing the submitted suggestions, the

committee selected the recommendation that a special walkway be constructed between the social hall and the "P" building.

Plans for the walk were developed by Mr. Ashford, the horticulture teacher, Mr. Cross, chief of plant operation and Mr. Coffee, supervising groundsman. After the walk-way was laid out on the grass Mr. Ashford's classes excavated the area to accommodate concrete forms. The school's maintenance and grounds staff installed forms, electrical lines and poured and finished concrete.

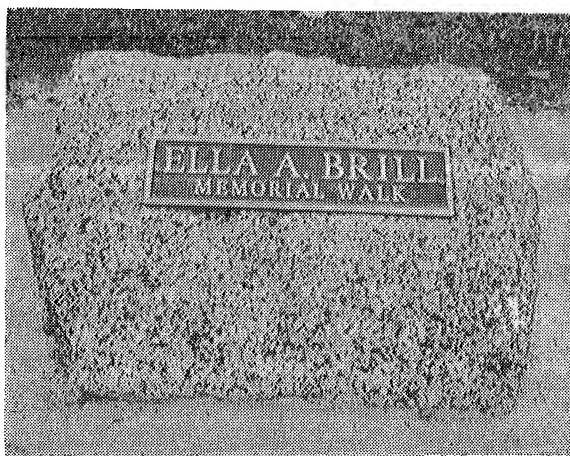

After consulting with local tree experts Messrs. Cross and Coffee selected flowering oleander and camphor trees to be incorporated into the walk complex.

School electricians Messrs. Camp and Jones installed lights that match the walk lights on the rest of the campus.

A granite boulder obtained by the business manager was sandblasted and cleaned by the schools' painters. This stone was set into concrete by supervising groundsmen and the bronze plaque secured to it by a carpenter.

Through the generosity and efforts of many people the memory of Ella A. Brill will be perpetuated by a memorial walk that will also enhance the campus of the California School for the Deaf, Riverside.

California School for the Deaf, Riverside

Volume 19 October 1973 Number 1

Do You Have a Moment?

Well, Mom and Dad, I think we have survived another crisis. I see by the morning paper that long hair is out. It is no longer the "in thing" to have hair down to your shoulder. Kids in athletics are probably the major reason for this. The major complaint is the time and care required to keep it looking nice, and I might add, the cost that is involved. I think it will be nice to have boys back again.

Speaking of back again, here we are with the beginning of another school year. There have been some changes such as combining Lower and Elementary Schools into one department which is now the Elementary School. Part of Junior High School has been moved up the hill to make room for our expanding High School. Our staff development program has a new director, Miss Betty Ohlinger, formerly a teacher in our Elementary School Department. Mr. Burstein, the Coordinator of Library Media Services, has expanded his program to include a second media service center in the Elementary School area. Mrs. Nyda Boyer has been appointed vice principal of the Elementary School and will assist Mrs. Tennis, the principal, with the younger boys and girls.

James A. Hoxie
Assistant Superintendent
for Instruction

Lawrence Newman Leaves

Mr. Lawrence "Larry" Newman resigned after 20 years of dedicated service to the California School for the Deaf to accept a well deserved promotion as Area Supervisor, Aurally Handicapped Program for the Santa Ana School District. Mr. Newman is known throughout the U.S. as a very capable teacher, a leader of the deaf, and an effective national officer of the Parents Section of the Convention of American Instructors of the Deaf.

Mr. Newman came to CSDR in its first full year of operation in September, 1953 as a math teacher in the Middle and Upper School. When that department divided, Mr. Newman became the algebra teacher in the Upper School and remained in that position when Upper School became the High School. In 1969 Mr. Newman was chosen as California's Teacher of the Year.

In addition to his regular teaching duties, Larry Newman is active in many areas of the education of the deaf. He was one of the sponsors of the Junior National Association of the Deaf at CSDR. Larry is a prolific and informative writer and his by-line has appeared on numerous articles in publications of, by and for the deaf. He has a regular column in **The Deaf American** and his articles in defense of total communication have appeared in many magazines and other publications.

When the Model Secondary School for the Deaf was established on Kendall Green in Washington, D.C., Mr. Newman was asked to be one of the members of its Advisory Board. At the present time he is chairman of the board. Two years ago he was the commencement speaker at MSSD.

As one of the outstanding deaf educators in the nation he has been asked to serve on several advisory boards. Last year he was a member of the educational team which evaluated the New Mexico School for the Deaf.

Larry has served CSDR very well and has added prestige to the school on the local, state, and national level. We have appreciated his dedication to his classes, and to the deaf everywhere. We will sorely miss Mr. Newman and we wish him success and happiness in his new job.

— Warren Fauth
Principal, High School

Senior Palms

Class Officers Elections

This year, for the first time, the Freshmen and Sophomore classes have held organizational meetings and elected class officers. This has been done to encourage the members of the classes to become better organized as a unit and to be able to carry out successfully new responsibilities which have been placed upon them. It is hoped that the experience gained will be of benefit to them when they have to assume greater responsibilities as members of the Junior and Senior classes.

The Junior and Senior classes have held their regularly scheduled meetings to elect new officers for the year and to plan on their respective activities.

The Juniors will be primarily involved in raising funds for their senior year's activities and in planning for the Junior-Senior Prom.

The Senior's activities will include preparation and publication of the yearbook, a trip to Catalina Island, Senior Officers' Banquet and presentation of the Senior Night Program.

The following students are those who were elected as class officers for the 1973-74 school year:

SENIORS

President	-	-	-	-	Nancy Jones
Vice-President	-	-	-	-	Kathleen Shaw
Secretary	-	-	-	-	Karen McCalister
Treasurer:					
Girls'	-	-	-	-	Linda Tucker
Boys'	-	-	-	-	James Miller
Sergeant-at-arms	-	-	-	-	John Foronda, Edward Kollmeyer

JUNIORS

President	-	-	-	-	Mike Farnady
Vice-President	-	-	-	-	David Gomez
Secretary	-	-	-	-	Kathleen McHugh
Treasurer:					
Girls'	-	-	-	-	Elizabeth Gilham
Boys'	-	-	-	-	Danny Tsujimoto
Sergeant-at-arms	-	-	-	-	Barney Hawkins

SOPHOMORES

President	-	-	-	-	Kevin Struxness
Vice-President	-	-	-	-	Cheryl Millwee
Secretary	-	-	-	-	Helen Beckstead
Treasurer:					
Girls'	-	-	-	-	Paulette Sottak
Boys'	-	-	-	-	Patrick McGuire

FRESHMEN

President	-	-	-	-	Deborah Zeigler
Vice-President	-	-	-	-	Don Lee Hanaumi
Secretary	-	-	-	-	Steven Triolo
Treasurer:					
Girls'	-	-	-	-	Ann Kassel
Boys'	-	-	-	-	Michael Olguin

The following two stories were written about a picture.

Sleepwalking

A little girl got up from her crib and jumped over it noiselessly. She walked into the living room and got a bamboo plant that was in a planter. She returned and placed the plant in her crib. She went into the living room again for six candles. She put the candles in front of the bamboo plant and lit them. The light from the candles reflected on the wall next to her crib. How beautiful it was! The little girl thought that she was dreaming. But, guess what? She was a sleepwalker!

Carl F. Bartlett

No Room to Sleep

A little girl picked some flowers and carried them to her room. She didn't know where to put them. She decided to put them in her crib. She enjoyed watching them. They smelled so fragrant. When it was time for bed, she couldn't sleep in her crib because there wasn't enough room.

Mike Snabley

Our Trip to Europe

Malmo, Sweden, was the site of the World Games for the Deaf where Miss Emerick, our coach, Pam Ridenour, Nancy Jones and Linda Tucker participated in volleyball games.

Before we went to Malmo, the girls and boys from track, swimming, basketball, and volleyball went to Gallaudet College for training. Linda Ridenour and Wendy Cooper from New York were our captains. We practiced very hard for two weeks. The weather at Gallaudet was very humid, causing us discomfort, but we saw many old friends and made new ones too.

Sunday, July 8th, all the USA teams had their pictures taken. After that we practiced marching in a parade. That night we had a banquet.

The next evening President Nixon's daughter, Julie Eisenhower, came to Gal-
laudet to speak. Some of the girls and boys
shook hands with her. Later we went to
the airport. At about 11:30 we left for
Malmö. We were very excited.

When we arrived in Denmark, we saw
that it was very clean but misty and cold.
We took a ferryboat from Denmark to
Sweden. The USA boys', the USA girls',
and the Italian boys' volleyball teams were
in a hotel near the bay where we stayed
for two weeks. The rest of the USA
teams lived in another hotel which was
near the track. Every morning for two
weeks we had slices of bread and hot tea
for breakfast, but our lunches and dinners
were delicious.

The first week we practiced. On Friday
night, the 13th of August, all of the teams
from all of the countries had a parade to
open the games. There were about forty
countries represented.

The next day, Saturday, we beat Sweden
easily in our first volleyball game. The
score was 3 to 0. On Tuesday we played
against Canada. We beat them, also, with
a score of 3 to 1. On Wednesday we lost
to Denmark, 3 to 2. On Friday we beat
Holland with a 3 to 1 score.

That night the winners received their
medals. The first place for boys' volleyball
went to Bulgaria; Iran placed second; Italy
placed third; and the USA came in fourth.
The first place for girls' volleyball went
to Denmark; the USA placed second; Can-
ada came in third; Holland was fourth;
and Sweden was fifth.

The next night we all had a banquet to
close the games. We had enjoyed com-
municating with foreigners who used dif-
ferent signs from the ones we know. It
was a fun way to talk.

The next day we Americans left Malmö
for our journey to Denmark, Northern
Sweden, and Norway. For every meal we
had ham and potatoes. We got tired of
that. In Norway we saw beautiful views.
In Denmark we visited famous, old places.
From Norway to England we stayed over-
night on a passenger ship. When we ar-
rived in England, we went to Scotland.
There we saw beautiful views and build-
ings. Some of us saw a school for the
deaf that looked like a big mansion, but
we did not go inside.

In London there were many interesting
places to visit. Piccadilly Circus was inter-
esting with crowds of people all day and
night. There were many lighted signs close
together in this place. In England we got
tired of eating chicken and potatoes. The
last day of the trip we flew back to
Washington, D.C. and arrived in Los An-
geles at 1:00 a.m. on Saturday morning Au-
gust 10th. We really miss our new friends
now. It was an enjoyable trip and our very
best summer vacation.

Linda Tucker
Nancy Jones

Working As a Tile Man

Last summer I decided to work as a
tile man with my step-father. Before I
could work, I paid thirty dollars to be a
junior union member.

On June the 19th, I started working. My
first day I worked hard to impress my boss
but he seldom noticed me while I worked.
I worked eight hours a day. I liked it be-
cause I started at 6:30 a.m. and I finished
at 2:30 p.m., so I went home very early. I
would swim for several hours at my home
until supper time, and this relaxed me.

I expected to work at the same place
every day, but after we finished one job
we worked at different places in Los An-
geles County. It wasn't enjoyable working
there because of the heat and the smog
which caused me to feel sick.

My body was sore the first day but I
got used to it after the first week; how-
ever, I was laid off the next week be-
cause they couldn't afford to pay me. A
week later they called me back and I
worked until September 7. I enjoyed it
because I earned a lot of money.

It was quite an experience. I realized
that I could be fired at any time, so I was
always careful and did my work well.
I had lots of responsibility and I listened
to those who told me what to do.

Farley Warshaw

Working at a Poolside

During July I worked with Debbie Zeig-
ler's father. We formed deckings around
a pool with redwood benders. We had to
drive redwood spikes into the ground with
a sledge hammer. The spikes were to hold
the benders in shape. We had to gradually
level off about one inch from the pool to
the outside so that the water would run
away from the pool.

(Continued on Page 28)

Deaf Multi-Handicapped Unit

The following descriptions were written by children in the Deaf Multi-Handicapped Unit about various photographs, their own drawings, and their own experiences.

The boys and girls are walking to school. They are walking. The boy is playing in the sand.

Debbie Girk

The woman is buying balloons. The boy is playing in the sand. The girl is sleeping. The boy is riding in the car.

Cynthia Morrison

The boy is pouring pop. The boy is painting. They are cutting.

Troy Olson

The blue cup is light. The can is heavy. The gold dish is light. The red box is light. The eraser is heavy. The glue is heavy. The pink egg is light. The yellow pillow is light.

Phillip Winney

Here is Pat, Mama, Daddy, and Chris. Pat is happy. The house has two fires. The house has four beds. Baby Chris is small. Baby Chris walks.

Mama drives fast. Daddy has a big car. Mama has a little car. Mama drives one car and Daddy drives one car. Mama and Daddy have two red cars. Mama drives faster.

Patrick Schultzi

The man is throwing the football. The man is riding a bike. The man is riding a motorcycle. The man is riding a horse. The man is driving the car. The man is fishing. The man is paddling a canoe.

Pat Huddleston

I have a sister-in-law. Her name is Julie. She has a baby and a little girl. Her baby's name is Jeannie. She is a cute baby. I play with the baby. She will be one year old on October 25. The little girl's name is Gina.

Gina Lambert

I walked with my brother to my friend's house. We ate dinner. It tasted good. We will walk with more people. My mother and my brother love my friend.

Sonia Rico

On Saturday, I went to Reseda. On Sunday, Nana had a birthday party. We ate cake. Then I came to school.

Debbie Wagnon

On September 13, 1973, I looked at the pretty things at the fair. I like to watch the man make pictures. They look pretty. Mother brought me a surprise. I looked in the box. It was new shoes. I like to look at the fair. It is pretty.

BOOK REPORT—

High School —

TITLE: *The Girl Who Knew Tomorrow*

AUTHOR: Zoa Sherburne

The "girl who knew tomorrow" was Angie, who had ESP. Angie's father left his unhappy family. Angie knew what would happen to him. She was only nine years old at the time.

One night Angie told her grandmother that her younger sister Stacy was dead. Her grandmother told her that she had just had a bad dream, but the next day, it was true—Stacy was dead.

After Stacy's funeral, a priest told Angie's mother about a camp. Angie and her older sister, Celia, went there for two weeks. One day a girl lost a valuable ring. Angie told the counselor that she knew the girl had lost it while washing her hands. The counselor got curious about Angie. She asked Angie's mother if Angie could go to the University to talk to a professor who was studying ESP. Her grandmother was against it; she wanted Angie to stay in school because she was poor in math. So the counselor left and never bothered Angie's family again.

Angie's mother brought a man named Jeff to her home. When Jeff heard about Angie's ESP, he asked her many questions. She tried to guess what he had in his hands and did many times. Jeff told Angie that she would be on TV. The interviewer asked her what he had had for breakfast and Angie knew. Now everyone was interested in her.

Jeff told Angie and her mother that they would go to California to be on TV. The interviewer asked Angie to answer some questions from people in the audience. She answered so well that everyone was in shock!

Angie had fun in California. She met many movie stars and famous people. She was on TV shows and made personal appearances.

Angie went back home, but on her fifteenth birthday, Jeff told her that she had

to go to Los Angeles for an important benefit. Jeff, his friend Laura, and Angie went to Los Angeles. Angie was left alone in the hotel with nothing to do so she decided to go somewhere. She got into a cab and told the driver to drive around. The driver told her that young people went to a bowling alley every Friday. Angie had on her wig and a lot of make-up so people would not recognize her. She went to the bowling alley and met a boy named Sam. Angie told him her name was Sharon. Sam asked her to come back to see him again. When she got back to the hotel, she saw Jeff talking to the police. Jeff was very angry at her and told her that she should never go out alone in Los Angeles again.

The next week, Angie went home to see her sister in the lead role of a play. First, Jeff and Laura took her to the bowling alley to say good-bye to Sam. When she arrived home, her grandmother was very sick in the hospital.

The next night while Angie was sleeping, she heard her grandmother's voice. Her grandmother wanted her to use her great gift just to help people, not to become rich and famous.

The next day, Angie found out that her grandmother had passed away during the night. After the funeral, Angie told her mother and Jeff what her grandmother had said in her dream. Angie said that she would like to go to the University to be part of Professor Carlton's studies. She did not want to use her ESP to make money any more.

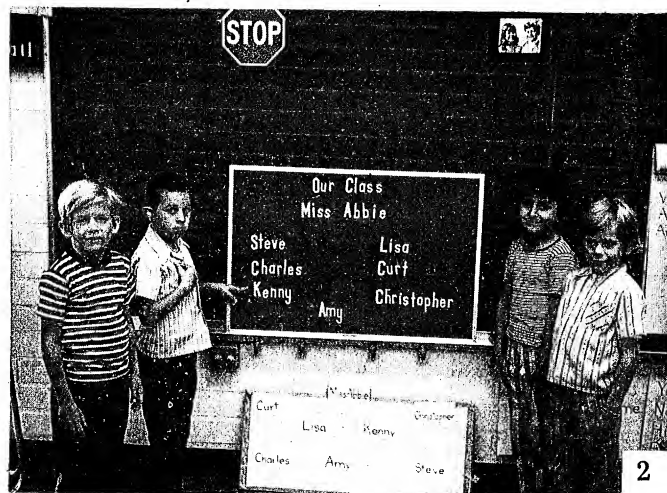

Angie suddenly felt much better. She had been very unhappy and nervous and had often had headaches. She hadn't been living a normal life because of her ESP. She had been taking tranquilizers and sleeping pills. Now she knew she would be all right.

Angie and her mother and sister moved to a nice home in a small town. Angie had her hair cut so people would not recognize her. She was only fifteen "and ahead of her was the unknown promise of tomorrow".

Leisure Time Events

Girl Scout Troop 335

There are twenty registered Girl Scouts in Troop 335. Fifteen of them reside in Rubidoux III. Pamela Cervantes and Nancy Herrera are new to Girl Scouting. The other five girls are the oldest in Rubidoux II. They are: Sandra Acevedo, Teri Chance, Debra Martinez, Mary Ochoa, and Jacqueline Reynolds. Both Sandra and Jacqueline are new to this school.

Troops 335 and 337 are conducting a Blue Chip Stamp Drive to raise funds for purchasing troop tents. We already have had a few stamp books donated and are trying to reach our goal by Christmas.

Girl Scout Troop 337

This year Girl Scout Troop 337 will be a Cadette Troop. The girls in this troop will be twelve years old or older. We have many new students joining our troop. They are: Cathy Schenerwerk, Julie Levine, Coral Thornton, Lori Jones, and Theresa Fiala. We also have girls who were in Troop 335 last year who will be joining our Cadette Troop. They are: Ruth Smith, Sherri La Plount, Cindy Hunter, Pauletta Adams, Delia Quintana, Renee Bartlett, Norma Rosas, and Marianne Owens. We are sure that we will have a very exciting year.

Boy Scout Troop 218

Boy Scout Troop 218 is off to a good start under the leadership of Senior Patrol Leader Tony Price and Assistant Senior Patrol Leader Raymond Coe.

Plans for our first camping trip of the year are under way. Camp Emerson is our destination with plenty of hiking, cooking, and fun in store for all who go.

Boy Scout Troop 18

Troop 18 held their first meeting on September 20th and elected their new officers. The Senior Patrol Leaders will be Mark Maiden and Charles Katz. The patrol leaders will be Francisco Romo, Alan Donaldson, Paul Maucere, and Frank Arnold.

The Scouts of Troop 18 are now conducting a newspaper drive for which they will earn twenty-five dollars for each ton. The money will be used to purchase equipment for future camping trips.

Pack 18

Pachappa I extends a big welcome to the twenty-nine Cub Scout and Webelo members of Pack 18.

Weekly den meetings and monthly pack meetings are held to provide an opportunity for each boy to develop his potential.

New to the Cub Scout program this year is the Instant Recognition kit. This will help to encourage the boys to complete their achievements.

Den 1, Pack 88

Den 1 of Pack 88 has entered into its second year of existence in Pachappa II and boast a record membership of 19. We'd like to extend a hearty welcome to our new cubs. They are James Ayala, Kenneth Andrews, Pete Colangelo, James Duro, Kevin Link, Michael Lindsey, Anthony Moone, Timothy Nelsen, George Selevos, Joey Snodgrass, Edward Valenzuela, Matthew Weaver, Curtis Whiteley, and Alex Zamorez. Welcome to the circle fellas.

The cubs are busy learning the Cub Scout Promise and the Law of the Pack in sign language. Those who complete this task will be awarded the official Cub Scout Bobcat pin. The cubs have also been learning about nature.

Explorer Post 18

Explorer Post 18 almost didn't make it on their long-awaited backpacking trip to Philmont Explorer Base, New Mexico. After leaving Scout headquarters at 6:30 a.m. the bus was working beautifully saying, "Philmont, Here We Come!" Several miles from Barstow the bus started losing oil pressure and finally the engine went out, just as we pulled into a gas station in Barstow. Thanks to the quick thinking of the Post advisors, and one of the Post's parents, we were able to continue with a van, station wagon, and one automobile.

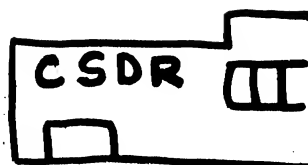

We left Barstow at 5:00 p.m. and safely arrived at Philmont Explorer Base at 10:30 p.m., Tuesday night. The boys then spent twelve days hiking, camping, cooking, learning how to become independent, and cooperating with other Explorers in their patrol.

SUMMER FUN

I went fishing.

Tim Nelsen

My family went to the beach.

Kenny Andrews

I rode my motorcycle.

Newton Gray

I rode in our dune buggy this summer.

Sylvia Padilla

My family and I went to Disneyland in August. We had fun.

April Agnew

My family and I went to the beach last summer. I caught one big fish.

Karen Shely

My family and I drove through seventeen states last summer.

I went deep sea fishing and caught seven small sharks.

John Balser

My family and I traveled on a PSA jet to Long Beach; then we went in a seaplane to Catalina Island. We had fun there. We went bicycle riding and paddle boating. We went out in a glass bottom boat and saw many pretty fish. We rented a little car and drove all over the island. We flew home to San Diego in a twin engine Piper airplane.

I also went on my first train ride by Amtrak from San Diego to Ocean-side. I went horseback riding and motorcycling in the Laguna Mountains. I went to the zoo with my friend Debbie and fishing with my brother. I really enjoyed my summer vacation.

David Gunsauls

I took swimming lessons at a pool in Alhambra every morning for two weeks.

My family and I went to camp at Lake Success. We met our friend there. He has a boat. I learned to water ski. My father and I caught seven fish. We had fun.

I went to the Dodger Stadium many times. I bought a new jacket. I got a free T-shirt, cap and Pepsi.

Kenneth Tucker

In June I went to swimming class. I passed a list of swimming skills. I got a pass card.

On July 4 I watched the fireworks from the roof of our house. It was warm. I wished I could sleep on the roof.

One day I rode my horse a long way and at night I came back home.

My sister flew to Minnesota for a month at the Junior NAD Camp. The camp is near Canada.

On August 31 my brother returned to Gallaudet College. He did not go by jet. He drove his new Pinto.

Alban Branton

On July 4 my family and Shirley Cretty went to Disneyland for the day. That night we watched a parade and saw pretty fireworks over Disneyland.

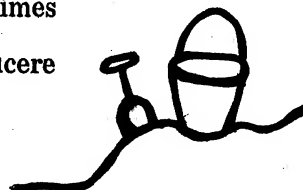

On July 6 my cousin and I flew to Hoxie, Kansas, for a month with relatives. I had fun there. I like Kansas.

On August 6 I went to Fresno. I had a job as babysitter for my cousin. When I returned home, I was very tired but I had earned lots of money.

Carolyn Gomez

I went water skiing many times this summer.

John Maucere

Vocational Palms

Horticulture

Horticulture has another new addition. It's the Western Garden, complete with an old wagon and two scaled down western buildings, a blacksmith shop used for tool storage and a general store used for the storing of fertilizers. The students helped with the construction of this area from the digging of the foundations and building the forms to the actual raising of the walls. The cactus garden has many different desert plants and it looks quite authentic.

There will be an Open House on December 20th, which will feature a plant sale. Money from the sale will be used for supplies to be used by the students for exhibits at the upcoming Indio Fair.

The horticulture students have gone on a field trip to the Los Angeles County Fair to see the garden and floral exhibits. Mr. Ashford was able to obtain many of the cut flowers that had been on display at the close of the fair. The students were then able to make exotic flower arrangements to be presented to their favorite teachers and counselors.

Power Sewing

Power Sewing has started with much enthusiasm this year. The girls are learning production type work, and are busy making surgical towels for the Riverside General Hospital.

In order to motivate the students, special time is allotted during the week for sewing personal garments. The girls are now working on slacks, dresses, tops and other articles. The satisfaction and pride in making their own clothes motivates them to learn the skills necessary for this vocation.

Personal Typing

Personal typing is a new course in the Vocational Department this year. There are various reasons why students are choosing this new course, but the reasons expressed by two students are typical:

"I am taking personal typing because in the future I will be in college and typing is neater than my penmanship. My writing

is very sloppy so I thought that typing would help me have better grades."

— Farley Warshaw

"I hope to go to college and my teachers may ask me to type my lessons. Or, maybe I can work and type for a job."

— Debra Manker

Homemaking

The High School homemaking classes are studying both foods and clothing this semester. The cooking lessons are featuring foods from other countries. The girls will cook foods from Italy, France Mexico and China and learn about the customs of the people from other countries. At the end of each month the girls will have guest luncheons. The first one will be on Halloween. Foods from Italy will be served. The girls are planning a few tricks along with their treats.

In sewing we will be working on knit fabrics that are very popular now. Each girl will make a T-shirt, pants and a child's garment. They will learn that all knit fabrics must be washed before cutting out the pattern. They will be surprised to learn how easy it can be to sew with knits.

Recipe of the Month

Many of the students had never tasted an eggplant before we tried the following recipe in class. Try it you may be surprised and like it. They are easy to grow in your garden.

Eggplant Parmesan

- 1 eggplant, sliced
- 2 eggs, beaten
- $\frac{1}{4}$ t. salt
- $\frac{1}{4}$ C. Parmesan cheese
- 1 C. crushed corn flakes
- $\frac{1}{4}$ C. salad oil
- 1 C. tomato sauce
- $\frac{1}{4}$ cup Mozzarella cheese

Slice eggplant and cut slices in half. Dip in eggs and then into a mixture of the salt, Parmesan cheese and corn flake crumbs. Cook slices in hot oil until brown on both sides. Turn once while cooking. Drain on a paper towel. In a casserole make layers of eggplant, cheese and tomato sauce.

Bake at 350° for 25 minutes or in a microwave oven for 6 minutes.

Junior Palms

My Summer Trip

The highlight of my summer was a two day trip to Hearst Castle. The castle is in San Simeon. We left late one night. When we arrived in Morro Bay we found a motel to stay in. The next morning we ate a good, hot breakfast of pancakes. Then we started to Hearst Castle. Morro Bay is the gateway to Hearst Castle.

There are three tour buses. We took Tour #2 to the Castle. We visited the bedroom, kitchen, swimming pools and some of the garden. The swimming pools were called Neptune's Pool and The Roman Pool. I liked The Roman Pool best. It is an indoor pool. Neptune's Pool was outside. It is made of marble. We saw many interesting things at Hearst Castle.

That afternoon we drove to Solvang. All the stores were closed so we stayed at our motel and swam.

The next day we went to Solvang and had lots of fun. Then we went to Santa Barbara and Ventura. We saw the pier in Ventura. Then we went to Oxnard and then home. We had an exciting trip.

Charles Katz

Summer Vacation

I went camping in Big Pine for one week. Then my mom picked me up and we went home. My brother, Dean, went to Philmont in New Mexico with the Explorer Scouts for two weeks. Then I went to Big Bear for one week. I went horseback riding twice and swam in a pool. My dad went to Northern California for three weeks. Mom, Dean and I went to Stockton in Northern California. We met my father at the Holiday Inn. We rode in a Komfort's minihouse which was bought on sale in Chico. My family visited Fort Ord army camp. I was born there.

Mark Maiden

A Long Trip

Last summer my brother and I went on a trip to New Mexico, Arizona, Texas, Oklahoma, Kansas, Nebraska, South Dakota, North Dakota, Minnesota, Wisconsin, Illinois and Indiana. We traveled by car and had a good time. We were gone for two months.

Robert West

My Summer Highlight

Last summer my brother and I were in a sailing race. The first thing we did was to fix the boat. We had to put up the sails. Then we started out in the ocean. The water was very rough. The boat kept rocking. Later we arrived far out in the ocean with the other boats. There seemed to be thousands of boats there. The boats were divided into groups. Each group had five boats in it. When the gun went off we sailed very fast. I enjoyed it because I like to sail fast. I had two duties on the boat. One was to control the sails and the other was to steer the boat. After a short time I got seasick. I threw up. Our boat came in second from last.

The next day we were in another race. I didn't get seasick that time because it was a shorter race. That time we were third from last. I enjoyed the races, but I don't think I will ever go back out on the ocean in a sailboat again. I will go in the bay.

Susan Parks

My Summer Highlight

Last summer my family my grandparents, Orly, Paula and I went to Julian, California. Julian is a small, historic town far back in the mountains. It still has many old buildings from the gold rush. It has an apple festival every fall.

We stayed in a cabin for a week. Orly and I swam a lot in a pool. We saw Anza Borrego State Park from the top of a mountain. We visited Julian's old gold mine. The gold really was not in nuggets but it was gold dust. A tour guide gave me a rock with gold dust in it.

Orly, Lorri, Donna and I climbed to the top of a pine tree. It was the tallest tree I've ever climbed.

We left early one morning for home. I was sad because we had to leave.

John Crouch

My Vacation in Chicago

My sister and I flew to Chicago to see our relatives. My sister and I rode on a bus to Toledo. Then our aunt Merry Ann met us. We waited for our baggage and afterwards we went out to eat something. Then we went to our aunt's home. It is on a ranch. We had ice cream. We had

fun there. Merry Ann picked up our cousin and me to go swimming in the pond. We also went fishing in Wisconsin. We got over 100 fish. I caught 40 fish, my uncle 40 and my grandfather over 20.

My sister and I flew back to California on August 24.

Chris Chisholm

Summer Vacation

My family went to Las Vegas, Nevada, for summer vacation. Mother played the slot machines and lost some money. It was fun. I took some pictures of Las Vegas.

We went to Salt Lake City. Then we went to Iowa.

Mike Higgins

My New Brother

One day my family and I went to the airport to see my new brother from Thailand. We were excited and interested. Finally his plane arrived 20 minutes late. He was wearing a turban around his head. His name is Sat but it is pronounced "Sut". He is 19 years old. He will live with my family for one year and go to college.

Sat has long hair because of his religion. He told me that there are 44 letters in his alphabet. We have only 26 letters. He taught me how to write my name in his language. I taught him how to say "hi" in sign language. Susan and I taught him how to play a game. He won! We were surprised.

My family is happy to have Sat with us for a year.

Kristin Zimmer

The Big Move

I was in Elementary School last year. I am happy, because I moved to Junior High School this year. I have five teachers. They are Miss Kitchen, Mrs. Newman, Mr. Peters, Miss Nichols and Miss Kubotsu. I am taking math., science, social studies, language arts and social awareness.

Rick Naperala

I Am An Orange

I am an orange. I feel happy because I grew from a natural tree. I can see my friends on the next tree. I have hundreds of sisters and brothers.

One day a farmer took us from the trees. He broke my green cap, "Ouch." He put me in a box. But the farmer put my sisters and brothers together. I was surprised. How nice of the farmer to put us together.

The farmer put our boxes in a truck. Then he drove to a factory. I am afraid of that motor that counts us. I said to them, "Let's try to think this, 'No one will be hurt' ". Then someone punched me. It hurt. At last I got out of that factory. I was orange juice.

Ethan Bernstein

I Am A Tooth

I am a tooth. I grew from a baby tooth. I am in Kenny's mouth. I chew many things. I have no cavities.

Kenny Clark

Hello, I am a tooth.

People always clean me. I live for about ten years or more. People carry me to other places. I help people to chew their food. I always sleep with people. I can't talk or see or hear. I am happy. When I am very old I fall out and I turn into money.

Please be careful with me.

Glen Eichensehr

Hunting

My father, a friend and I will go bear, moose and deer hunting in Canada on November 5. If we cannot go there then we will go to Utah or do nothing at all. I hope we will go to Canada. We will go by train to Canada. If we go to Utah we will go by truck.

Jeff Calhoun

I watched "Tora! Tora! Tora!" on TV last Friday night.

My friend and I went to the beach. My bike was stolen. My mother said no more bike for me. I was sad last Saturday.

I made a cake. It was very good. I came back to school.

Rosalind Jenkins

Residence Hall News

Sierra I

James Maye and Thomas Acevedo are actively involved in our woodshop program, where we have designed and are in the process of building our first model tract homes, Sierra Vista I. Photography is a great past time. Tracy Savage and Brian Denton are learning all the skills, including developing.

Robert Hill, our newest member, represents us in the resins department. His ideas and talent are very creative. Pedro Gonzales and Christopher Lopez have outstanding talent and are doing excellent work with the arts and crafts program. Jerry Madirosian is in our engineering department where he produces model automobiles, aircraft, and seacraft. All in all, the boys are enjoying the hobby programs being offered in Sierra I.

Sierra II

The boys of Sierra II have returned to school and will be spending the first full year in their new classrooms and dormitory. Sierra II boys will be initiated into new or expanded after school programs and projects such as woodshop, working with plastics, gardening, model making and other crafts. John Lee will be the first to develop his skill in the woodshop program. Ronald Brown, Jerry Stock, Joe Nemeth, and Mitch Darling are involved in the construction of aircraft and vehicle models.

Sierra III

The boys of Sierra III are actively involved in a variety of challenging experiences. The resin castings of Luis Garcia and Timothy LeMaster are unequalled in their tasteful beauty. Christopher Venia and Clifford Burville have translated the teaching of Mr. Ashford into an impressive display of succulents. A recent expedition to Meadowlark Canyon in search of flora and fauna provided specimens of butterflies for mounting and various wild plants. Gilbert Avila and Alberto Esquivel manned the nets, along with Donald Parker who brought in the first winged beast. In sum, the activities of the Sierra III students are a refreshing combination of spirit and adventure.

Sierra IV

We are happy to see all the girls returning this year. The newest members of Sierra IV are Nancy Howard and Denise Jackson.

Tammy McKenzie and Tamy Neal had their birthdays last September. We celebrated their birthdays by having the girls make them homemade ice cream.

Just recently, we went to the Los Angeles County Fair where we saw many arts and crafts projects. The most interesting displays were the animals. Theresa Dickinson and several of the other girls milked a cow.

Most of the students in Sierra IV are busy with their hobby programs, the most exciting being Macrame.

Pachappa I

Pachappa I welcomes back Joseph Rathert. Joseph returned to CSDR after a year in New Mexico.

We have three new students. Dean DeVenny comes from Lakewood, Joseph Ellis from Los Angeles, and Eric Haaland from San Diego.

The boys in Pachappa I spent their summer vacation in various ways. Louis Parker visited his grandparents in Virginia and also traveled to Washington, D.C. Timothy Price spent time in the mountains at Big Bear while Christian Smith camped out with a Y.M.C.A. group at Idyllwild. Scott Stonebreaker enjoyed flying trips with his father.

Danny Landrum, Joseph Ellis, Timothy Price, Javier Lopez, Jeffrey Howard, and John Balser had birthdays in September. We wish them many more.

Pachappa II

Pachappa II is once again alive with small boys. There have been many happy reunions and new friendships. We would like to mention those who are new this year. They are Steven Arballo, Devin Barnes, Larry DeVenny, Allen Reich, Shannon Rose, George Selevos, Christopher Smith, Curtis Whiteley and Edward Valenzuela. Welcome aboard boys!

The boys have been enjoying after school activities such as movies swimming, field trips, and scouting events. They manage to keep pretty busy away from the

campus too. For instance Kevin Link recently went to Shaver Lake with his family. He rode in a motor boat and was the flag holder for the water skiers. Larry Spiva also went on a family vacation. Larry spent his leisure hours fishing and swimming. Allen Reich paid a visit to his father's home and went swimming in the pool there. Devin Barnes recently journeyed to Glenville to visit his sisters and grandparents. They celebrated his brother's birthday while there.

Pachappa III

"Welcome back!" was the theme at Pachappa III's opening of another exciting school year. This year, the Pachappa III group is smaller, so more projects and exciting outings are scheduled. A nature study interest group is being developed and the girls are also looking forward to a Magic Show and a return to Farrell's Ice Cream Parlor.

Summer vacation had thrills for Sherri Roberts who went to the Irwindale races. She enjoyed it so much, she wonders about becoming a professional racer when she grows up! She also visited her grandmother and stayed two weeks with her Aunt Aileen in Los Angeles. Teri Bumgardner visited Disneyland which is always a treat. Sherrie Master moved to a new home and is getting nicely settled. Cecelia Arauza went to Fresno and visited her grandmother. She swam, fished and played with her cousins Cindy, Elaine and Ricky. One of the most interesting trips of the summer was taken by Serena Romo, who visited her aunt for two weeks in Guadalapara, Mexico. What a wonderful experience, Serena.

Rubidoux I

The Rubidoux I boys enjoyed a good summer. Most of them visited exciting new places and now they are ready for another school year. Rubidoux I welcomes Charles Cordy, Michael Asaro, Glenn Guidice and Timothy Manfull. They are new students at CSDR.

Robert Guthrie won second place in a chess tournament for 13 year olds in his home town. Gregory Sadler moved into a new house that his family built. Greg has his own room where he will be able to display his model cars and airplanes that he made.

Rubidoux II

Rubidoux II girls are busy preparing for the coming year and are happy to greet some new roommates. The new girls are: Sandra Acevedo, Sherri Long, Roberta Parker, Jacqueline Reynolds, Dawn Sheffler, and Cindie Steeber. Sandra is from San Bernardino and is 10 years old. Sherri, who recently turned nine, is from Cypress. Roberta, age eight, is from Whittier. Jacqueline is nine and comes from Pacoima. Dawn is from Laguna Niguel and will be nine soon. Cindie, who will also be nine soon, is from Los Angeles.

Rubidoux III

Rubidoux III welcomes back former students and four new ones. We hope you enjoyed the summer and are ready for another thrilling year.

Our new girls this year are: Theresa Fiala, Julie Levine, Lynn Robinson, and Coral Thornton.

During the summer, Rosalind Jenkins, Cindy Hunter, Norma Rosas, Nidia Carrillo had birthdays.

Here's a thought for all Rubidoux III girls to remember during the year:

Make new friends and keep the old,
one is silver, the other is gold.

Lassen I

Lassen I boys had a very enjoyable summer vacation visiting with relatives and friends. A few of the boys made special trips. Among these were John Miranda who went to Alaska with his father and had lots of fun. Pepe Hernandez went to New York with his father and mother to visit his cousins.

Welcome to our two new boys, Carl Chavez from Carlsbad, California and Paul Hughes from Whittier, California.

Lassen II

This is Donald Nevins first year at CSDR. We welcome Donald to Lassen II.

Nine boys enjoyed going to the Pomona Fair as recognition for having the most attractive bulletin boards. They were: Danny Aguirre, Ramiro Bustamente, Bradley Ceney, Randall Gaffney, Norman Hixson, Paul Maucere, Francisco Romo, Carl Stephenson and Ray Talmage.

Another special interest group this year is photography. Boys participating are: Norman Hixson, David Reese, Oscar Sanchez and Carl Stephenson.

Shasta I

We began the year learning about the fascinating summer experiences of Nancy Jones, Linda Tucker, and Pam Ridnour in Europe. All participated in the Deaf Olympics in Sweden. These girls were also honored at a surprise party given for them by Linda Tucker's parents shortly after school started.

Other girls returned from the summer with different experiences to share. Some worked at their first job. Maureen Mazza Janette Epstein worked in convalescent hospital, Leslie Greer in a grocery store, Tari Williams in an office, and Patti Walsh in a school as an aide. Among those who enjoyed their summer trips were Kathy Gaines and Carolyn Pelletier. Kathy liked seeing Mount Shasta best, and Carolyn enjoyed all the beautiful lakes in Oregon.

There were many capable girls interested in running for Student Council and it wasn't easy for Shasta I girls to decide who to vote for. The results of the election are Kathy Shaw, President; Irene Dye, Vice President; Cecilia Ortiz, Secretary; and Darla Smith, Treasurer.

Some of the girls in the cooking group who helped bake a delicious cake enjoyed by all are Cindy Alvarado, Beth Gilham, and Vickie Phillips. We all agreed that Shasta I has some excellent cooks.

Shasta II

Shasta II welcomes two new girls — Herlinda Morales, from Coachella Valley, and Anastacia Westall, from Cypress, California. Herlinda comes to us from Berkeley school and has a brother, Johnny, here at CSDR. Anastacia last attended school in the state of Washington.

Susan Boudreau and Bobbijune Naud had lots to say about moving into their new homes this summer. If you think I'm kidding, just ask them!

Tina DiGiacomo and Lisa Assolin had loads of fun in Mexico riding horses, chasing the surf, and sightseeing.

Teri Loreman is the new foster sister of Bobbijune Naud. They're both happy about this and get along so well they are even roommates in the dormitory.

Congratulations to our new student counsel members: President, Katie McHugh; Vice President, Bobbi Naud; Secretary, Cathy Bartlett; Treasurer, Debra Manker, and Sgt.-at-Arms, Susan Boudreau and Charlene Andrews.

Shasta III

Shasta III is beginning a busy new school year with two new girls. The two girls that are new to CSDR are Mary Miller and Dora Martinez. Mary Miller comes to CSDR from Oxnard where she lives with her mother, father and one sister. Dora Martinez lives in Newhall with her family which includes fourteen children. Both of the girls are enjoying learning about the dormitory activities and the school schedules. Mary Miller attended day classes before coming to CSDR. Both Mary and Dora are the only deaf persons in their families.

Shasta III has elected their Student Council. Sandra Thrapp has been voted President while Ann Kassel was voted Vice President. Kathy Sugiyama is Secretary and Norma Lonesky is Treasurer. Shasta III girls will be busy this year with High School activities as well as the dormitory program of sports, crafts and social hygiene. The bowling team has already gotten a good start so the girls will enjoy many weeks of bowling this year. Bowling is a favorite sport for many girls.

Christina Calorosa has been selected as cheerleader and Linda Lepisto and Kathy Sugiyama are Pom-Pon girls.

All of the girls in Shasta III are looking forward to a great year of participation in both the High School activities and in the dormitory program.

Our Birthday Girls are: Paulette Sotak, Cathy Bartlett, Mary Ann Leary, Carmella Quinteros, and Tina Di Giacomo.

Shasta IV

Shasta IV welcomes four new girls this year, they are Lori Jones from Glendale, Mila Morgan from El Centro, Cathy Schenewerk from San Bernardino and Elizabeth Hall from Roway.

Many Shasta IV girls went on trips out of state this summer. Anne Yamaguchi visited Hawaii this summer, Carolyn Dubler traveled to Washington and Victoria, British Columbia. Mila Morgan visited Washington, and Sheryl Gardner returned from Colorado.

Shasta IV girls are learning how to cook and how to bowl this year as part of their special interest group program.

Palomar I

Keith Brown really got around this last summer. He visited seven states, including Oklahoma where his grandparents live.

After that he came home and went to Northern California to attend his brother's wedding. The family then journeyed to Mexico to finish a wonderful vacation.

Robert Medress was one of the lucky ones who went to Hawaii. He visited three of the beautiful islands; Maui, Oahu and Kauai.

Richard Smith's activities took him to Camp Puaika for two weeks, where he taught sign language to all of the girls. At home he put an ad in the paper for garden work which resulted in a very profitable summer.

Henry Pelayo had fun at Disneyland and an enjoyable sight-seeing trip to San Francisco.

Palomar I has three student counselor aides this year. John Foronda is assisting in Lassen II, Everette Harvey in Lassen I and Russell Mohr in Rubidoux I.

Palomar II

Several of the boys in Palomar II traveled this summer. Phillip Weishar spent two months in Oregon with his grandparents. Barrie Hodge and his family toured Canada in their motor home for three weeks. William Burdick was very glad to see his grandmother again. He stayed with her for two weeks at her home in Wisconsin. Andrew Tweedie went to Magic Mountain in Valencia. He also had a fine time at the motorcycle races.

Two of the boys in Palomar II are attending CSDR for the first time. Juan Morales, a junior, went to CSDB last year. His family moved to Coachella during the summer and Juan came here. Dana Papa, also a junior, comes from San Diego where he attended school last year.

The election for the Palomar II Student Council was held on Monday, Sept. 24. The new officers are Thomas Gilmore, president; Jeff Lubman, vice-president; Matthew Brandfield, secretary; Danny Tsujimoto, treasurer; Daryl Quan, sgt.-at-arms; Mark Aguirre, social chairman; John Estes, Christmas chairman.

Palomar III

Palomar III welcomed 17 residential students and three day students from Lassen I this year and they are enjoying their new privileges as High School students.

Although they all had a good vacation they are happy to see old friends.

We have several new football players, those from Palomar III include Larry Adams, John DuQuin, Eddie Frazer, Ronald Shely, Michael Sliva, Kevin Struxness, Paul Delgrollice, and Charles Erickson. They look like a strong group to play for CSDR.

The horticulture class again made it's annual trek to the Los Angeles County Fair at Pomona. Those enjoying the trip were Jack Alps, Jeff Ahr, Charles Erickson, James Haugen, Howard Varner, Duane Loftin, and La Darrell Jones.

Last summer Ronald Taylor had an interesting time visiting some movie projection rooms where he saw the complicated equipment used. He was able to take pictures of some of it and has the photos to prove it.

Dale Secor is another movie fan and had the fun of visiting the Wax Museum.

Jeff Chase visited in Mexico last summer with his family. They stayed three weeks and had a very enjoyable time.

Mark Erwin went to Hawaii with his brother and grandmother staying at Waikiki to swim and surf. They also saw some of the other islands. He later visited in Oregon with friends and relatives.

Boy Scout Troop 118

Troop 118 is the Sierra's first and foremost Boy Scout group. The Troop's newest charter membership includes: Doug Scanland, Tracy Savage, James Maye, Gerry Mardirosian, Chris Lopez, Pedro Gonzalez, Brian Denton, Thomas Acevedo, Ronald Brown, Tim Harding, Mike Lurz Bruce Lehto, Criss Venia, Tim LeMaster, Clifford Burville, Donald Parker, Luis Parker, Gilbert Avila, Alberto Esquivel and Wharton Delano.

The troop is presently involved in organizing its patrols, collecting its supplies and planning its agenda for an upcoming trip to the wilds of Calico Ghost Town.

The Cover

The Halloween cover was done by Janet Mertz, our Senior artist in her own original composition and style. She is fascinated by the scratchboard technique.

Sports Events

XIIth World Games for the Deaf

Miss Aletha Emerick

Teacher, Physical Education, CSDR

This past summer several of our students and teachers participated in the XIIth World Games for the Deaf in Malmo Sweden. Our trip to the Deaf Olympics was one of the most exciting experiences of our lives.

We flew to Washington, D.C., from Los Angeles on July 1, to begin our training program. We practiced (volleyball) at Gallaudet College five to six hours every day for two weeks.

While we were in Washington, D.C. we visited the Lincoln Memorial and the Washington Monument. While at the Arlington Cemetery, we visited John and Robert Kennedy's graves. We also had the opportunity to watch the changing of the guard at the Tomb of the Unknown Soldier. Also on the itinerary were visits to many museums.

One of the biggest thrills of all in Washington was meeting Julie Nixon Eisenhower who represented her father, President Nixon. Mrs. Eisenhower talked to each of us and wished us the best of luck and great success in Sweden.

We left for Malmo, Sweden from Dulles Airport on July 18, and arrived many hours later in Copenhagen, Denmark where we boarded a ferry which took us to Malmo. We will always remember Malmo as the place where we met and made many new friends from all over the world.

Almost 1,200 men and women participated in the games. Of these, 143 were from the U.S. The American effort turned out to be very successful indeed, totaling 82 Medals, 29 of them first place-gold medals. Russia was second with 48 medals overall and Italy was third with 21.

The girls from our school were, Nancy Jones, Linda Tucker and Pam Ridenour, all members of the silver medalist womens' volleyball team. All the games in which our girls played were very exciting and the girls had to play very hard to finish second behind the gold medal winning team from Denmark. Canada took third place and the bronze medal. The coach of the U.S. Womens' Team was Miss Emerick, physical education teacher at CSDR.

Following the Games, the U.S.A. team, coaches and committee went on a tour of Denmark, Sweden, Norway, Scotland and Great Britain. High point of the tour were visiting Hans Christian Anderson's home in Denmark, the train ride through the fjords of Norway, the ship we took to cross the North Sea to Scotland (on which several athletes were seasick due to rough weather), driving through the beautiful, green, land of Scotland and seeing the old castles. In England we saw the changing of the guard at Buckingham Palace, and visited the Tower of London.

We will always remember the warmth and generosity of the people we met.

It was a long trip and we saw and did many new and exciting things but it's good to be home. There is no place like the USA.

The following is a summary of how the U.S. teams fared at the Olympics:

Men's Track & Field: USA 25 medals; 8 gold

Women's Track & Field: USA 11 medals; 2 gold

Swimming: USA 26 medals; 14 gold

Wrestling: USA 13 medals; 3 gold

Tennis: USA 3 medals; 1 gold

Cycling: USA 2 medals, both silver

Shooting: USA 1 gold medal (team)

Men's Volleyball: USA 4th place diploma

Women's Volleyball: USA 1 silver medal (team)

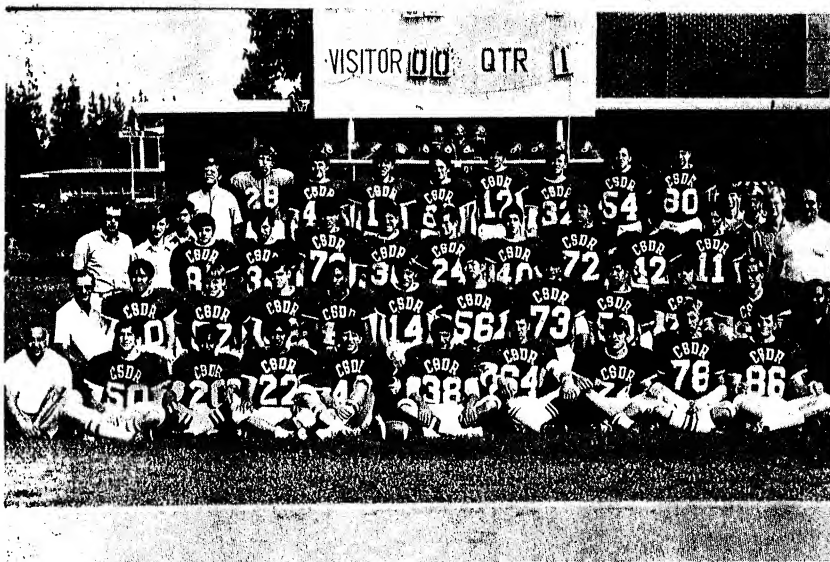

Individual Medals: USA — 125: 58 gold, 35 silver, 32 bronze

Individual Diplomas: USA — 65: 29 fourth, 17 fifth, 19 sixth

The following is a partial list of nations ranked on the basis of number of gold medals.

Nation	Gold	Silver	Bronze
United States	29	21	32
Russia	26	15	7
Italy	10	4	7
West Germany	4	9	6
Hungary	4	3	6
Japan	4	2	0
Norway	4	1	0
Bulgaria	3	6	8
France	3	3	1
Great Britain	2	6	3

Shooting	Italy	Field Handball	Yugoslavia

CSDR Football

Head Coach Pete Lanzi launched his 14th season at the helm of the CSDR football coaching staff as the Cubs assembled for their 17th campaign.

Buoyed by an excellent football season last year, which included an unforgettable victory over arch-rival Berkeley, Lanzi looks forward to an exciting season and on improving last year's winning record. The Cubs nearly lost their entire offensive line via graduation, and Lanzi was faced with the job of finding a strong group of replacements to fill in those all-important gaps. However, the Cubs are blessed with the return of an entire backfield of lettermen, and with the proper balance of hitting and blocking by all the team members, they will bring the CSDR fans plenty to cheer about.

Flashy senior halfback Keith Brown returns to lead the backfield which also consists of junior quarterback Mike Farnady, junior halfback David Gomez and the hard running sophomore fullback Pat McGuire. This quartet appears to have everything—speed, power and experience.

Senior John Foronda and sophomore Kevin Struxness will start at the end positions with Ken Roberts and Russell Mohr in reserve. Barney Hawkins, Everette Harvey, Darryl Quan, Wing Lai and Dean Maiden are still competing for the two tackle positions. The guard spots find Jimmy Stinson, Lance Shinagawa, Danny Tsujimoto, Allon Stigall, Chuck Bill and Morgan Droutsas fighting among themselves for the starters' role. Robert Woodward is now the leading candidate for the center's responsibilities. Players such as Barry Hodge, Carl Haguewood, John Roberts, Eddie Frazer, Harry Whitney, Ron Shely, Phil Weishar, Mark Aguirre, Rex Drake, Larry Adams, Scott Andersen, John

DuQuin and Chuck Erickson are learning all the fundamentals necessary to help them develop into good players.

The Cubs have a schedule of nine tough games for 1973. They have already played three games to date. The first game at CSDR was a tough contest with a determined Ontario Christian High School team, that prevailed in a tight 14-6 contest over the Cubs. Ontario capitalized on Cub mistakes to score two quick TD's before the Cubs really got untracked. A hard-hitting dash into the end zone by Keith Brown proved to be the only score for CSDR.

The Cubs fought hard in the second game against a formidable Ramona JV and managed to come away with a nip-and-tuck 14-7 victory over the Rams. Improvement was noted as the Cubs began to play as their coaches had expected them to play. Keith Brown scored both touchdowns on dazzling runs. David Gomez grabbed two points in a PAT dive.

Next, CSDR traveled to Morro Bay and played one of their worst games. They fumbled 11 times and lost all to the Pirates of Morro Bay, and thus blew the game entirely out of reach. The final score was 54-12—one of the worst defeats in Lanzi's coaching career. Keith Brown, Kevin Struxness and Pat McGuire, along with David Gomez and Morgan Droutsas were the only stars shining in an otherwise dismal defeat. Brown and McGuire tallied a touchdown apiece.

Next, North JV, followed by the rugged Arrowhead League competition, Notre Dame, Webb, Aquinas, Sherman, and Big Bear. The Seventh Annual Homecoming Gala is slated for Saturday, October 27 against Webb, the only team the Cubs have never defeated.

Girls Volleyball Schedule

Wednesday, October 31, 3:00 p.m.

At Notre Dame High School

Monday, November 5, 3:00 p.m.

At North High School

Wednesday, November 7, 3:00 p.m.

Norte Vista High School at CSDR

Monday, November 12, 3:00 p.m.

La Sierra High School at CSDR

NEW COUNSELORS TO DMHU

(Continued from Page 5)

California Summer Campus for Music and Arts in Idyllwild. Mrs. Einarson resides in Riverside with her husband, Brett, and their daughter, Britt.

Mr. Donald Sanchez

Mr. Sanchez is currently a counselor in Unit I of the Deaf Multi-Handicapped Unit. He received his B.A. degree from California State University at Sacramento and furthered his schooling in the area of deaf education at California State University at Fresno. Mr. Sanchez has worked as a counselor in a summer camp for children with speech and hearing disorders. He has also worked as an instructional aide in the Sacramento City Unified School District and has conducted a Catholic religious class for deaf Mexican young adults.

Miss Carolyn Thude

Miss Thude is currently a counselor in Unit I of the Deaf Multi-Handicapped Unit. She graduated from Hiram Johnson High School in Sacramento and then attended California State University at Sacramento. She has been employed by the Legislative Counsel Bureau in Sacramento. Miss Thude has also had experience working with multi-handicapped children on a volunteer basis.

Miss Gail Wright

Miss Wright comes to CSDR from Dixon, California. She attended Solano College and the University of Oregon before serving one year as a VISTA volunteer in Morgan Hill, California, and Carson City, Nevada.

Before coming to CSDR, Gail was the youth director for the Vallejo Community Action Youth Development Program.

Gail's hobbies include camping and sight-seeing.

HIGH SCHOOL

(Continued from Page 9)

In August we started to work with concrete. We had to rent a cement mixer. We had to mix together gravel, sand, and cement to form a thick, grayish colored mass. Each time we used the mixer, we mixed about two wheelbarrows full. Most of the time Mr. Zeigler mixed the concrete and poured it into an area, and then I would float it out.

One time I was floating the concrete by the edge of the pool not yet filled with water and I slipped off the edge. I didn't fall into the 10 foot deep end, but I hurt my leg. I got a big bruise on my shin.

Too bad there was no water in the pool; otherwise I would have just swam!

Robert Johansmeyer

Summer Vacation with Carolyn

One day in July my mother took me to Carolyn Pelletier's house. I had never visited her before. I was so happy to visit her. We went to CSUN for one week of summer school. Louis Fant was trying to establish a movie library for the deaf program. We were interested in it. We also went swimming and shopping.

In August Carolyn visited me. My sister, Carolyn, and I went to Lake Dolores. It was cool there and we slid down the slide. We went to the movies. We saw "Class of 44" and "The Young Graduate". They were very good. Then my family, Carolyn, and I went to Las Vegas. We had a good time.

Marjorie New

A Trip to Mt. Shasta and Abbey

My family and I went to Berkeley for a few days then went to Mt. Shasta. It was a beautiful view on a hot day in August. We arrived at a small town named Abbey which was located near Mt. Shasta. We met Jisho who showed us our cabin. Mother and I stayed with two other women. John, my brother, stayed with some young men.

We went to a lecture and Jisho showed us how to sit properly on a cushion. We meditated before and after meals. We ate our meals and washed our dishes ourselves.

On Saturday before lunch Jisho gave me a note which he had typed. I read his instructions about how to sit properly. We enjoyed staying at Abbey for two days.
